Dear Friend:

We invite you to take part in a very special YWCA Northern New Jersey (formally YWCA Bergen County) tradition by nominating an outstanding woman for our prestigious **Tribute to Women of Influence (TWIN)**. TWIN gives businesses and organizations an opportunity to **honor their highest achieving women** and gather together to **network and celebrate success**.

Why participate in TWIN?

- TWIN honors women who have excelled in their fields and made significant contributions to their organizations and to their communities.
- TWIN salutes organizations whose policies and practices encourage high achievement by women and who promote equal advancement opportunities for women of diverse backgrounds.
- TWIN creates engagement opportunities for business and community leaders to meet, network, and celebrate the women of influence in their world.

Our **44th celebration of TWIN honorees and sponsors** will take place on Wednesday, **December 4, 2019** (8-10am) at **Stony Hill Inn, Hackensack, NJ**. For information about TWIN visit: www.ywcannj.org/twin-tribute-to-women-influence/

Sponsorship/Nomination opportunities are available at **Impact level (\$2,500)** for companies who have up to 3 outstanding women to honor, and **Inspiration level (\$1,000)** for 1 honoree. Our **Influence level (\$250)** sponsorship is designed especially for small businesses and organizations without honorees.

For additional ways to **support** our TWIN event on December 4th, see details below. Please contact me with any questions at 201-345-1911 or harchontou@ywcannj.org or Lori Murray, Director of Development and Communications at lmurray@ywcannj.org.

A little history... We started TWIN in 1975 as Tribute to Women and INdustry. Our program was so successful that YWCAs throughout the country and the world have adopted it. Back then, the term “career woman” was a relatively new one, and our purpose was to help our corporate partners recognize women on their staff who rose up through the ranks in a male-dominated business environment. Much about our world and women’s place in it has changed, but women still grapple with issues of equal pay, equal opportunities, work-life balance, children, and career.

The **heart of TWIN remains to honor women of achievement and celebrate organizations like yours** that create cultures in which women can thrive. We look forward to having you take part in this time-honored tradition with us!

Sincerely,

Helen Archontou MSW, LSW
