MEET DANIELA PINTO, MANAGER OF CAMPS!

Dear Parents,

I am very excited to introduce myself as Manager of Camp Ma-Kee-Ya and Camp Orinda. I have worked for YWCA Northern New Jersey since 2004 as Assistant Manager of School Age Programs and Director of Camp Orinda. This is not just a job - it's my dream!

My goal is to make every camper's summer camp experience the very best it can be, and every staff member shares this goal. We focus on positive behavior, good leadership skills, and teamwork. We create a family atmosphere where everyone is part of the YW team.

Our programs are carefully structured to meet your child's developmental needs in a creative, open, and fun environment. Whether your child is a preschooler trying camp for the first time, an elementary schooler gaining new skills and a sense of self, or a CIT eager to explore the world beyond their immediate community, our goal is to help make these important transitions fun, memorable, and successful.

We thank you for considering YWCA Northern New Jersey summer camps and look forward to meeting you and your family!

See you this summer!

Daniela
