# CHANGE YOUR INNER SCRIPT,

# CHANGE YOUR OUTCOME!

*Jennifer Daure, PCC, Executive Coach  
and Speaker will discuss:*

- Why asking yourself the right questions can impact your career growth
- The power of reassessing your professional skills - and why it's important
- How to create an inner script that changes your outcome

JENNIFER DAURE, PCC

There exist various magic formulas to increasing human potential. Hers? Building confidence and enhancing self-expression to accelerate the achievement of goals.

As a diversity and inclusion advocate, her insatiable interest for human potential allows her to see and identify similarities between people who cross her path.

She has worked on leadership development and performance management with fintech, manufacturing, fashion, avionics, banking and food corporations, and with hungry individuals seeking to redefine their leadership.
