THE POWER OF YOU

OVERCOMING WORKPLACE OBSTACLES

Despite the fact that more women are in the workforce than ever before, women still face more obstacles that hinder career growth. Learn action steps to help you find success including:

- Confidence Factor — Believing in your skills and experience
- Busting Race & Gender Bias — Getting the same access to career-making roles
- Sponsorship — Connecting to highly qualified women who will speak on your behalf
- Navigating Non-inclusive Workplaces — Refusing to be dismissed or ignored
- Breaking the Double-Bind — Stopping gender stereotypes from undermining your ability to lead

Desiree Dancy

Desiree Dancy is a recognized HR leader credited with influencing and galvanizing thinking at the senior executive level to drive the integration of Diversity and Inclusion, talent acquisition and talent management strategies aligned with business goals and objectives. Ms. Dancy is currently the Group Vice President, Talent & Inclusion at Sims Metal Management where she is responsible for building and driving the company's global talent acquisition and diversity and inclusion strategies.
