## TAKING YOUR BUSINESS to the NEXT LEVEL through TEAM BUILDING

Get actionable results from real estate guru Stacy Esser on:

- How to build a successful team
- When should you build a team
- Motivation through Inspiration and Accountability
- Best practices from John Maxwell

After a successful career in fashion spanning over 17 years, Stacy discovered that success comes organically through trusted relationships, team building practices and good old-fashioned hard work. Exactly how – for the last decade -- she has conducted her real estate practice leading the Stacy Esser Group at Keller Williams Town Life and meriting status as a Mega Realtor. Today, Stacy's expertise in affordable luxury has garnered her recognition as top agent in one of the most competitive markets in the United States with a record of success in selling homes that other agents could not sell.

A certified coach of John Maxwell, one of the world's top leadership experts, Stacy credits the deep-rooted cohesion of her team for their growing success. Her strong conviction to team building strategies combined with boundless energy ensures a future with no limits for the Stacy Esser Group.
